

### **Fine Gardening Crew**

Seasonal position April-November, 35-50 hrs/wk

Pay commensurate with experience

#### **Job Objective:**

The preparation and seasonal care of residential and commercial gardens. Provide JNL clients with high quality professional gardening service.

#### **Qualifications:**

- The ability to work in a team environment and be open to direction and instruction.
- Strong commitment to detail, efficiency, and follow through.
- Friendly, energetic, approachable and professional to coworkers, supervisors, and clients.
- An interest in plants and a willingness to learn and develop new skills.
- Ability to work outside in a physically demanding job and lift 50 lbs.
- Valid and clean driver's license.

#### **Job duties include:**

- Season specific tasks including spring and fall debris clean ups, summer design installations and garden maintenance.
- Weeding, raking, edging, and cultivating gardens.
- Planting, watering, and feeding annuals, perennials, shrubs, and trees.
- Sheering and pruning woody plants and shrubs, and deadheading/detailing annuals and perennials.
- Hauling and spreading compost, mulch, and aggregate.
- Loading and unloading work vehicles with pertinent tools and materials specific to job tasks.
- Maintaining inventory and up keep of tools, equipment, and vehicles.
- Running small engine equipment including string-trimmer, backpack blower, gas shears, and cultivator.
