

## CONSTRUCTION CREW LEADER /MASON

### PURPOSE & DESCRIPTION

Jacquelyn Nooney Landscape, Inc. seeks a Construction Crew Leader to join our Construction team. At JNL, Inc. we pride ourselves in bringing a high level of craftsmanship to all aspects of landscape construction.

The ideal Construction Crew Leader candidate has sound knowledge of wet and dry masonry, comprehensive knowledge of masonry safety practices, an expertise in handling and working with masonry equipment and tools, and proficiency reading blueprints. While masonry experience is a plus, we will train the right candidate.

The Construction Crew Leader/Mason practices good reasoning, communication skills, and problem solving. The ideal candidate works well independently with little supervision, and also excels working as part of a team. As a leader, the Construction Crew Leader/Mason will act as liaison between Construction Management and the Construction Crew during both landscape installations and on site activities, and will be responsible for the safety, performance, and accountability of the crew.
